**MOTION FOR AN EXTENTION**

---

**COMES NOW** the Appellant, Patrick Lee Booker, who, proceeding pro se, hereby submit his Motion for An Extension of time to serve and file the initial brief of Appellant and designation of matter. The Appellant is requesting a sixty (60) day extension of time to serve and file the initial brief of Appellant and designation of matter. Upon information and belief, the current deadline to serve and file the initial brief of Appellant is November 30, 2022. The basis for this motion is set forth below:

**GROUND/BASIS FOR MOTION**

On October 28, 2022, the Appellant was involved in a incident (unrelated to this matter) whereby he loss access to all of his property including, but not limited to, files, records, computers and other material related to the preparation of his work on his initial brief and designation of matter. On October 31,2022, the Appellant was forced to change his place of residence and, after obtaining a new place of residence, the Appellant did not gain access to his afore-said personal property until November 15, 2022. Due to the sensitive, personal nature of the matters that the pro se Appellant is currently undergoing, he is praying 🙏 for a one-time extension of sixty days in which to serve and file the initial brief of Appellant and designation of matter. The Appellant hereby inform the Court of the change in his mailing address.

WHEREFORE, the Appellant hereby request that this Court grant a sixty (60) day extension to serve and file the initial brief and designation of matter.

**RESPECTFULLY SUBMITTED,**
