Ms. Allen – My apologies, it appears Mr. Olson also has a mediation scheduled on March 7, 2023 that will pose a potential conflict in addition to that discussed below.

Thank you,
Jim Saxton

Dear Ms. Allen –

Please allow this correspondence to serve as a notification of potential conflict for oral arguments in the above referenced matter that may be set in March of 2023. Attorney Clay Olson will be in mediation on March 16, 2023. The remaining dates proposed in March do not appear to present any scheduling conflicts at this time for Mr. Olson.

Additionally, could you confirm that the previous correspondence from the COA sent on October 11, 2022 regarding potential oral arguments in February of 2023 is no longer applicable?

Thank you for your time and consideration.

Sincerely,
Jim Saxton
