

The South Carolina Court of Appeals

Jane E. Baskin, Respondent,

v.

William B. Walkup, Appellant.

Appellate Case No. 2022-001226

ORDER

Walkup has served and filed a notice of appeal from several related orders of the probate court, including an order removing him as trustee of a testamentary trust benefitting Baskin. Walkup filed a verified petition for review of the probate court's subsequent order lifting the automatic stay of the removal order pursuant to Rule 241, SCACR, and denying Walkup's required to require the new Special Trustee to post a bond. He requests this court reverse the probate court's ruling and reinstate the automatic stay, or in the alternative, to require bond. After careful consideration, the petition is denied.
