MOTION FOR EXTENSION TO FILE  
INITIAL BRIEF OF APPELLANT AND  
DESIGNATION OF MATTER TO BE INCLUDED  
IN THE RECORD ON APPEAL

COMES NOW, Jack B. Swerling, attorney for the Appellant, requesting an extension to file the Initial Brief of Appellant and Designation of Matter to be Included in the Record on Appeal. Counsel has previously requested two extensions, and the current deadline for the Initial Brief of Appellant and Designation of Matter to be Included in the Record on Appeal is November 28, 2022.

Counsel respectfully requests an additional extension of 30-days to file the Initial Brief of Appellant and Designation of Matter to be Included in the Record on

Appeal due to the following:

Counsel was involved in a two-week triple homicide trial from October 10, 2022 through October 21, 2022. Counsel spent the two weeks preceding the trial in preparation for the trial itself. Counsel has been preparing for two trials, scheduled for November 28 and December 12, since the conclusion of the murder trial. These trials and preparation greatly exceeded the time I allowed myself and that is the basis of my request.

Counsel's paralegal has consulted with William M. Blich, Jr., Assistant Attorney General, and he has no objection to an additional 30-day extension.

WHEREFORE, for good cause shown, counsel respectfully requests a 30-day extension of time to serve and file the Initial Brief of Appellant and Designation of Matter to be Included in the Record on Appeal, to December 28, 2022. This request is made in good faith, and not for the purposes of delay.

Respectfully submitted,

---
