Appeal From The South Carolina Worker's Compensation Commission

Appellate Case No.2021-000303
WWC File No. 1704918

Raqual Cunningham.....Appellant,

V.

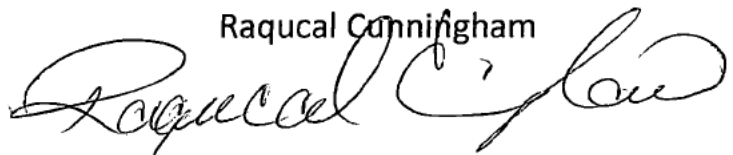

BMW Manufacturing Corp., Employee and
Hartford Accident&Indemnity Company, Carrier.....Respondent,

Appellant's Reply To Respondent's Motion To Dismiss

Yes I am without council/lawyer because of lawyer's like Mr. Dunbar, who is a very dishonest, arrogant and heartless person I had to let him go because he was against me. I did have some family emergencies which made me request for more time but Mr.Dunbar asked for extensions as well. I admitted to making mistakes in my filing because I am not a lawyer but I can speak for myself. I am uneducated on these court forms and formats but I did make the necessary corrections. I also asked questions if I didn't/don't understand the paperwork. When I was confused and made a mistake on the format of the paperwork of the ~~initial brief the courts asked Mr.Dunbar to send me the correct format of~~ the briefs he is complaining about. So if it's wrong I followed his directions from page to page he sent me. This is exactly what he did to trick me to keep that worker's compensation check pretending it was mine and just send the form back but his friend told me the form would close my case. My case should not be dismissed because of me not having a lawyer, my extension request or because Mr. Dunbar's arrogance of friend position. This case needs to be looked at without prejudice due to his much repeated request to DISMISS.
