To the South Carolina Court of Appeals
Case No. 2022-001607 and 2022-001575
I would like to Appeal the court listed
above discession to Dissmiss based off of
violation of Rule 203(b)(1) Due to the
Fact I was threatened harassed by police and
told to stay away from the courthouse until
my courtdate I was yelled at at harassed
upon arrival And these officers have beat
me already due to me being there and retaliated
on me while in police custody This Judgment
ruling is Judicial misconduct because it goes
against the law and biased also for my safety
I stayed away from the courthouse until
my courtdate general session 10/27/22 on
which I Filed a Appeal At Federal Courthouse
instead of going to the courthouse in which
I was harassed The delay was due to fear
of my safety and being harassed by officers
Its hard for me to be able to turn my paper
work in on time when Im being harassed and
threatened just like 8/8/22 I was asking to
speak to a supervisor and was attacked and
harassed by police this delayed the filing of
my lawsuit from 8/8/22 until Sept 1st I was Also
threatened on that day Sept 1st I had Filed
the lawsuit at the wrong courthouse and was
Arrested and beat for Asking to speak to Supervisor
X *John Wain*
11/26/22
1906 Boilling Rd extension
Taylors SC 29687
APT 26 F

My 5th Admendment was violated
 "no one to be deprived of life, liberty,
 or property without due process of law"
 And Due Process clause to describe a
 legal obligation of All states And due
 to me being harassed and a victim of
 police brutality in front of my daughter
 8/8/22 due to discrimination of me filling
 other lawsuits I wasnt Able to go to the
 courthouse due to threats of police brutality
 and threatening to lock me up and harassing
 me upon Arrival How is the law used
 to protect the defendent but my me the
 victim this court and judgments has
 failed to acknowledge Any wrong doing of the
 defendent for violating my rights to due
 process which was violated 33 days the judges
 rulings was judicial misconduct And it goes
 Against the law This courthouse Judge Also failed
 to rescue herself when evidence was provided
 for her to do so

X 
 11/25/22

This courthouse is defendants listed in 3
my Federal case this conflict of interest
caused this NOT to be a Fair hearing but
a biased one I can tell this was intentional
of what happened to me and how this
was a conspiracy due to the lack of justice
done in this case and ALL parties conspiring
will be held Accountable And I will get
justice according to the Law these
Judges that Are operating under Judicial
misconduct and their ruling is NOT
in Alignment with the law it says you
cannot waive someones right to due
process (And due to harassment by police I
just sought out to do my Appeal 10/27/22
and 11/5/22 due to harassment by officers
And I was just Aware of the requirements until
10/9/22 I would like All the trials and harassment
to be taken into consideration this is clearly
Discrimination due to my race since I
was called racial slurs And I am having
a voice against a defendant with 30 years
of friendship with Judges, lawyers, police, and
Drs ect.
