Mr. Clark—Good afternoon. I am one of the thousands of business owners who have no email service because of the Rackspace meltdown. My AIS address is worthless until they get it fixed.

So, I am using my personal email to forward for electronic filing this date, my client Turner’s Marina LLC’s Initial Brief, Designation of Matter and Proof of service. All counsel of record are being served by email and US Mail this date. An original signed proof of service is in route to you today also via US Mail.

Because I am so concerned about this email situation that I have no control over, would you please make sure to send me back electronic filed copies of the documents today, to this email address: bramspoint@outlook.com? Thank you so much.

Please let me know if you have any questions. Thank you again.

Tom Taylor
