SC Court of Appeals

STATE OF SOUTH CAROLINA
In The Court of Appeals

APPEAL FROM CHESTER COUNTY
The Honorable J. Derham Cole, Circuit Court Judge

Appellate Case No. 2021-001033

THE STATE,

Respondent,

v.

MICHAEL A. WILLIAMS,

Appellant.

**MOTION TO AMEND RESPONDENT'S
DESIGNATION OF MATTER AND
MOTION FOR TRANSPORTATION ORDER**

Respondent now moves to amend its designation of matter to include a DVD video introduced by the State at trial (State's Exhibit 2). Respondent cited and discussed State's Exhibit 2 in its brief, but neglected to designate it for the record. Respondent also moves for this Court to issue a transportation order so the Attorney General's Office may arrange to have this exhibit transported to this Court. No other exhibits have been designated by the parties at this time and no prior transportation order has been issued by this Court in this appeal.

I.

Both sides prepared initial briefs and their respective designation of matter. Respondent made reference and discussed State's Exhibit 2 (Video -- DVD) in Respondent's initial brief, but in preparing the designation of matter, Respondent neglected to include the exhibit. The

undersigned has spoken to counsel for Appellant to alert her that this motion would be filed.

II.

Concomitantly with this motion, Respondent is submitting an amended designation of matter which includes the exhibit. Respondent would respectfully request this Court to accept the amended designation of matter. Respondent also would request this Court to issue a transportation order which includes this exhibit along with any other exhibits originally designated by the parties. A proposed transportation order is included with this motion.

III.

WHEREFORE, Respondent prays that this Court grant this motion, accept Respondent's Amended Designation of Matter and issue an Order of Transportation; and for such other and further relief as the Court may deem just and proper.

Respectfully submitted,

ALAN WILSON
Attorney General
