South Carolina Department of Health and
Environmental Control*

TO: THE HONORABLE JUDGES OF THE SOUTH CAROLINA COURT OF APPEALS:

COMES NOW the Respondents, Chem-Nuclear Systems, LLC (“Chem-Nuclear”) and the South Carolina Department of Health and Environmental Control (“SCDHEC”), pursuant to Rule 240 of the South Carolina Appellate Court Rules, and jointly respectfully request this Court of Appeals to grant them a twenty-day (20) extension of time in which to file their joint Final Briefs in this appellate matter.

The basis for this motion is that the appellate counsel for both Chem-Nuclear and SCDHEC are involved in other appellate and trial matters at this time and need the additional time in which to complete the joint Final Briefs.

Based upon the current briefing schedule Chem-Nuclear’s and SCDHEC’s joint Final Briefs are currently due on or before 4 June 2013. Consequently, anticipating a favorable reception and subsequent grant of this motion, the joint Final Briefs would then be due on Monday, 24 June 2013.

Finally, Chem-Nuclear and SCDHEC also respectfully request this Court of Appeals to hold the briefing time in abeyance until such time as this motion may be considered and ruled upon.

Respectfully submitted:

NEXSEN PRUET, LLC
