**Re: Rule 59(e) motion to alter or amend Judgment**

Hon Jean Toal,

I just recently went to my PCR hearing 2011-CP-10-9422, my hearing convened on Jan 22, 2013. Lesley Sasser, represented me she amended my P.C.R application. She added 5 issues to my initial brief that gave me a total of total of 10 issues she presented 5 issues to the court. I took the stand to present my issues to the court, as I took the stand Lesley Sasser asked me how was my trial attorney ineffective? I told the court that my trial counsel was ineffective for and the Hon. Markley Dennis stopped me and said he did not want to hear it because I was telling him the law. I never got to present my issues to the court. I sent Ms. Sasser and administrative Judge Hon. Roger Young a petition to have Ms. Sasser put the Notice of Appeal in Abeyance and instruct her to put a Rule 59(e) a motion to alter or amend judgment. S.C. code Ann.17-27-80 the P.C.R. judge must make specific findings of fact and state expressly the conclusion of law relating to each issue presented. The failure to specifically rule on the issues precludes appellate review of the issues. Hon Jean Toal what I am asking of you. Please put this Notice of Appeal in Abeyance and rule for a new P.C.R. hearing so that all issues are presented and rule on.

Kindest Regards,

*Antonio Moultrie*
