RE: Portrait Homes v. Pennsylvania National Mutual Casualty
Appellate Case No. 2020-000735

Dear Ms. Allen:

We recently received notice that the above-referenced case may possibly be considered during April 2023. Unfortunately, in 2023, my children's separate school spring breaks fall from April 3-7 and also from April 10-14, and I have been planning on taking two separate vacations with them. I would request that if at all possible, this matter not be scheduled for hearing during those times.

Should you have any questions or require any additional information regarding this matter, please feel free to contact me. I greatly appreciate your consideration.

Sincerely,

Phillip W. Segui, Jr.
