I am in receipt of the court's letter dated December 7, 2022 instructing me to file a motion within 15 days to substitute the personal representative of my deceased client's estate as the appellant in this pending appeal. However, I was unable until yesterday to locate the name and address of the personal representative of my client's estate, and don't yet have the phone number of the personal representative. In addition, I am due to leave tomorrow on a scheduled vacation out of state until my return to the office on December 26, 2022. I would therefore like to request that the court allow me 30 days instead of 15 to file the required motion. That way, I will have a better chance of being able to contact the personal representative before the court's deadline. Opposing counsel is copied on this email in the event that the respondent has any position on this request.

Sincerely,

Please be advised that I am in receipt of a death certificate from SCDHEC indicating that my client is now deceased. Since I have not had this happen before, I am uncertain how to proceed or how it will affect the pending matter, but I wanted to advise the court and opposing counsel by filing this notice. At this point, I have not been able to make contact with any representative of the estate, if any, to know how the estate might wish for me to proceed, if that is even possible.

Sincerely,
