Re: Kiawah Development Partners vs. SC DHEC  
Appellate Case No. 2010-155629

Dear Mr. Shearouse:

The response to the amicus curiae brief submitted by the Savannah River Maritime Commission is due to be served and filed today. Over the past week, our office has experienced numerous moves, including our mail department, which has resulted in our office receiving the order setting the date for the response on the afternoon of June 6, 2013. Additionally, I have been ill for several days. I have been unable to complete the response by today's date, and would respectfully request an extension of two (2) days, until June 12, 2013, to submit the response to the amicus curiae brief on behalf of the Department.

By copy of this letter, I am serving all counsel with a copy of this request. Please allow this letter to confirm that all counsel have consented to this extension request via email.

Sincerely,

Jacquelyn S. Dickman  
Deputy General Counsel
