Re: Edward Hills v. Dean, USC
Appellate Case No. 2022-001512

Dear Mr. Hills:

Upon reviewing your amended appellant's initial brief and designation of matter, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- A proof of service for both documents has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

The documents that you sent in with your designation of matter are being returned to you. These documents need to only be listed on the designation of matter and included in the record on appeal.

Very truly yours,

A handwritten signature in blue ink, appearing to read "V. Lane Allen". The signature is written in a cursive style with a large initial "V".
