Re: Charles Keiffer v. Jasper County Delinquent Tax Office
Appellate Case No. 001054

Dear Deputy Clerk Allen:

Thank you for your letter dated December 7, 2022 advising that the Court accepted my letter of December 1st as sufficient to join in the filing of respondent's brief. I believe my use of the parenthetical in that letter identifying "Jasper County" as shorthand for the Jasper County Delinquent Tax Office, and identifying myself as the Jasper County Attorney may have caused some confusion. In the general and normal course of my duties as Jasper County Attorney, I represent the Delinquent Tax Office. Please let this serve to advise the Court, as requested, that Jasper County itself does not wish to be added as a party. I will continue to represent the Jasper County Delinquent Tax Office in this matter.

Respectfully,

A handwritten signature in blue ink, appearing to read "David L. Tedder", is written over a large, stylized blue scribble.

David L. Tedder
Jasper County Attorney
