Re: Edward Hills v. Dean, USC
Appellate Case No. 2022-001512

Dear Mr. Hills:

Upon reviewing your proof of service, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- Your proof of service states you served the “notice of appeal” but the proof of service deficiency was for the “amended appellant’s initial brief” and “designation of matter.” An amended proof of service is to be served and filed that shows service of the amended appellant’s initial brief and designation of matter upon the respondents. Every document that is filed must have an accompanying proof of service that shows service of that document on the respondents.

Very truly yours,

A handwritten signature in blue ink that reads "V. Claire Allen".
