IT IS ORDERED AND ADJUDGED: See attached order (formal order to follow) Statement of Judgment by the Court:

After careful consideration, reviewing the case law, memorandums, and oral arguments of both sides, the court will grant the Motion for Partial Summary Judgment by Attorney Ivey and deny the Motion for Summary Judgment by Attorney Hood. A reasonably foreseeable third party, as explained in the Bishop and Hardee cases, may initiate an action against a physician under limited circumstances. In this case, taking into account the patient's history of mental illness, diagnosis of paranoid schizophrenia with an antisocial personality disorder, and history of violence targeting at his father, the court finds that this constitutes those limited circumstances.
