Re: *Owens v. Stirling*, No. 2022-001280

Dear Ms. Shealy:

Please find enclosed a corrected version of Volume III of the Record on Appeal. This version deletes pages 1124 and 1125, both of which contained sealed information related to the witness testimony taken in a closed courtroom under S.C. Code Ann. § 24-3-580 and which were inadvertently included in Volume III instead of Sealed Volume V.

I ask that you replace the version of Volume III that is publicly available on C-Track and inform the Court that pages 1124 and 1125 contain sealed information.

Yours very truly,

A handwritten signature in black ink, appearing to read "W. Grayson Lambert".

Wm. Grayson Lambert
