Re: *Corley v. Martin, et al*
Appellate Case No. 2022-01010

Dear Ms. Kitchings:

I represent Appellant Michelle Corley in the above-referenced appeal. I write to request an additional extension of time in which to file the Appellant's Initial Brief and Designation of Matter herein. The reason for this request is that the parties continue working on a settlement of this matter and should know very shortly whether the case is settled or needs to proceed.

I request that the Court grant an additional 30-day extension through January 16, 2023. While I hope not to require that much time, I know the intervening holidays may slow down progress.

I enclose a check for \$50.00 to cover the filing fee for this extension request.

Thank you for your attention to this matter.

Sincerely,

Adam T. Silvernail
