John,

I hope you are doing well. We received the motion for permission to accept initial brief and designation of matter out of time and the (proposed) initial brief you filed on behalf of Irwin Levine in connection with the above matter. We need to ask for additional time to respond. Please let me know if you can consent to our motion to extend the deadline to respond to the motion to June 28. I will need to look into the situation to see if the time to file our client's reply to the initial brief will begin to run after the court addresses the motion or not, but, assuming the deadline is currently May 30, let us know if you can consent to an extension until June 28 for the reply as well. We will attempt to file the response to the motion and initial brief before June 28. Thanks for your consideration of this request.

Bob
