RE: Angela Patton v. Dr. Gregory A. Miller  
Appellate Case No. 2022-000288  
Our File No. 072009/01500

Dear Ms. Kitchings:

Appellants respectfully request a thirty-day extension to file their initial brief and designation of matter in this appeal. The current deadline for Appellants to file their initial brief and designation of matter is December 23, 2022. With the thirty-day extension, Appellants' initial brief and designation of matter will be due January 23, 2023.

This is the first extension request for these filings. Appellants request this extension due to undersigned counsel's year-end firm business obligations, preparation for two major motions hearings, and holiday travel. Appellants submit that no party is prejudiced by this extension request.

Our check in the amount of \$50.00 is being mailed to the Court. Thank you for your consideration of this extension request.

Sincerely,

*s/ C. Mitchell Brown*
