RE: Request for sufficient adequate legal
Competence: S.C. Rule 608 Administration of
the Courts Appointment of lawyers for indigents.

To whom it may concern.

I voice complaint presented to a Court
administrative law judge with the power to
Rule on questions of evidence and make
determinations of facts.

Defendant has been denied due process in
lower Circuit Court of General Session. The
13th Circuit Public Defender was deceptive in
representation made to the Resentencing
hearing.

This constitutional deprivation damage
cannot adequately redress the injury
suffered from the error of law. The defendant
asks of the Court to preserve right

guaranteed effective assistance of legal standard.

Presentation reasons for grievance against 13th Circuit Public Defender appointed indigent Counsel: inadequate agreement of remedy before the court, will hear this case.

If for any reason this cannot be enforce action from a state Court Authority without due process of law, please respond back to me informing me of the right procedure to be considered in legal remedies.

A defendant 4th Amen right to the Court inquire into the reason for the dissatisfaction, a serious breakdown in communications can result in an inadequate defense. Of the many ethical requirements placed upon lawyers, one of the most significant is loyalty to the client.

Your help concerning this matter will be very grateful. I would like to thank you in advance for your time and patience.
