SC Court of Appeals

Dear Sir:

Please examine complaints which this Office did not correctly investigate, or the inefficient handling of this case, i.e., the mental anguish, cosmetic issues, and expenses or excessive costs which were not included. The review is not complete. Because results of Reporting health care professionals provide evidence of mishap.

Thus, after suffering this most painful infraction, current costs, as stated before, are tremendously expensive, and too much of a burden.

Sincerely,

Carl J. Hall
