Good Afternoon,

The State's Motion to Reconsider Sentence was heard by Judge Jefferson on Tuesday, December 13, 2022. The Judge granted the State's motion to remove the mutual restraining order from the sentencing sheet. The Judge did not grant the State's request to impose a permanent restraining order on the defendant. The Judge indicated at the hearing that she will file a separate order. The Berkeley Clerk of Court has not received the order yet. I will forward it once I have it.
Please let me know if you require further information. Thank you!

~Kawohi
