Ms. Young:

I hope you and your family had a Merry Christmas.

I will get a check to you this week for \$183. Thank you for your assistance with these transcripts, Charles Koss.

Good evening, Mr. Koss,

You have requested an estimate for a hearing on January 5, 2022. The hearing I have for you is on January 4, 2022. That hearing is an estimated 18 pages. The estimated cost to transcribe would be \$91.50. The other hearing on July 18, 2022, is an estimated 18 pages. The cost of that to transcribe would also be \$91.50. If you would like both of these transcribed, I would need to receive payment of \$183 either by check or U.S. Postal Money Order before I produce these. If you have any other questions, please let me know.

Hope you have a Merry Christmas!
