Importance: High

Good morning,

I was out all last week with Covid and am finally starting to feel better so I'm emailing about a transcript request. I looked into this a bit last week but again, just didn't go far as I felt so rough. There was a status conference held regarding the above-referenced case and it appears on the judicial site that there was no "CR needed" but this was in essence like a hearing so I would think there has to be some kind of recording at least of the conversation. This was with Judge Verdin on 8/11/22. Any help or insight you can provide would be greatly appreciated.

Thanks,
Cassy
