

The South Carolina Court of Appeals

The State, Respondent,

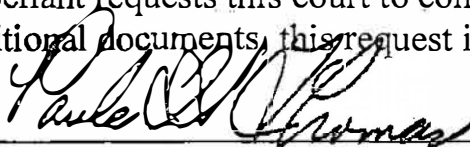

v.

Lamont Antonio Samuel, Appellant.

Appellate Case No. 2020-001612

ORDER

Appellant has filed a "Motion for Stay" and a "Motion for Extension of Time," requesting this court hold this appeal in abeyance until he is able to retrieve certain letters from his trial counsel, so that he may file an adequate *Anders* pro se brief. After careful consideration, we grant Appellant's request for an extension; Appellant shall serve and file his *Anders* pro se brief within thirty days of the date of this order. However, to the extent Appellant requests this court to compel his trial counsel to provide him with any additional documents, this request is denied.
