RE: Appellant Case NO. 2013-001089

Dear Clerk,

I have received your letter apprising me of the notice of appeal being assigned a case number and enlightening me of certain procedures that are requirements such as the Rule 267 of the (SCACR) and the order relating to the inclusion of personal data identifiers and other sensitive info. in documents filed with the Supreme and Court of Appeals. However I have no knowledge on the 267 rule of the (SCACR) or of the motion and I ask of apprisement, if you would please. I understand this info. can be found on www.sccourts.org, none the less, I am incarcerated and unable to have net access. Thank you.
