Motion
For "Motion to Amend
Informal Brief"

Dear Court of Appeals,

The plaintiff comes to the Court of Appeals to submit a "Motion to Amend Informal Brief". I have a lot of documentation that I was not able to include into the Informal Brief and need more time to adjust the format and correct the data by adding in the supporting evidence for my case. I have not been able to supply all the evidence because I ran out of time and need to go back and completely finish submitting all of the information.

Sincerely,

Joe L. Adams Jr. 1/03/2023
