Mr. Muller,

Our office received the attached letter from you regarding your desire to purchase a copy of the transcript from the 12/20/21 Review Conference covered by our court reporter. That proceeding was not ordered transcribed at the time of the proceedings, and so that will still have to be completed. The court reporter has been informed of your request and will begin work on that transcript. Our standard turnaround time for a hearing/conference is 30 days, but we'll have it to you before then, if able.

No deposit will be required. Please do let me know what format(s) you wish to receive this transcript in, and if you will need a sealed original hard copy or not, as well. Also, please do be aware that we were not hired by the court itself, nor was the reporter an employee of the court system, and thus we have our own rates. Our hearing rate is \$6.50/page. Please acknowledge your acceptance of this page rate, as well as letting me know your format needs.

Thank you!

Paul W. Greathouse
