Ms. Williams,

Good afternoon and Happy New Year. I am attaching a transcript request form in association with an appeal we are making. You had previously transcribed and delivered to us the portion of the transcript of the damages hearing (relevant proceeding below) containing the testimony of the expert witness for the Plaintiff, Axel Rineart's testimony (approx. 61 pages)[See e-mail below]. We are now in need of the transcript of the full proceeding (damages hearing). I don't know if it is possible to provide the transcript of the remainder of the damages hearing (everything except the testimony of Axel Rineart, since we already have that portion), or if that will not work because of page numbering etcetera. If not, we will just have to order the integral transcript. Please feel free to contact me if you have any questions.

By copy of this e-mail, I am communicating the same to opposing counsel and to Court Administration.

Thank you, Ms. Williams.
