Re: Appellant Case 2022-000263

12/23/2022

Dear Ms. Kitchings: In response to your letter of 12-21-2022 (attached) I believe Deputy Clerk V. Claire Allen had indicated in an initial letter to the Representatives that the unbound ROA could be an electronic copy and it was so submitted and date stamped 11-28-2022 on each of the three parts, vols 1,2 and 3. Please confirm this with V. Claire Allen.

Also, the supplementary Designation of Matter was timely submitted and so I believe does not require a motion and is date stamped 11-28-2022 (attached). Please inform me if I am not correct.

Appellate Case No. 2022-000263

Dear Mr. Klotz:

We are in receipt of your proof of service for an updated record on appeal which has been broken into volumes. Please be advised that you must file one unbound version of this updated record on appeal with this Court within ten (10) days of the date of this letter or this appeal will be dismissed.

Furthermore, as of the date of this letter we have not received a motion to allow late filing of your supplemental designation of matter as requested in this Court's letter dated December 1, 2022. You must serve and file a motion to allow late filing of the supplemental designation of matter within ten (10) days of the date of this letter or your supplemental designation of matter will not be considered. The Court will act upon your pending motion for an extension of time to serve and file the appellant's final brief once these deficiencies have been cured.

Very truly yours,

  
CLERK
