Re: William Klotz v. General Joe VanLier
Appellate Case No. 2022-000263

Dear Mr. Klotz:

Upon reviewing your record on appeal filed on December 28, 2022, which is presumed to be an attempt to correct the deficiencies outlined in this Court's letter dated December 1, 2022, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and each deficiency must be corrected within ten (10) days of the date of this letter or this appeal will be dismissed. This is the Court's second request for these corrections:

- The document is not accompanied by the certificate of counsel as required by Rule 210(g), SCACR.
- A proof of service has not been provided. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.
- Each volume of the record on appeal must contain an index and shall contain a cover page indicating the volume number. You must serve and file a corrected record on appeal. Please be advised that one bound copy of each volume of the corrected record on appeal will need to be filed.

Very truly yours,

A handwritten signature in blue ink that reads "V. Claire Allen". The signature is written in a cursive style with a large initial "V" and a distinct flourish at the end.
