Dear Ms. Burns,

I have received the Court's letter concerning potential oral argument during the May term in in this case. It was my understanding that Mr. Bannister has already claimed Legislative protection through June of 2023. I refer you back to his last letter dated November 10, 2022. If that is the case it would be good to resolve that now so that we don't have to carry this on the calendar as a potential for that term unnecessarily.
