**Subject:** Letter requesting Clarification of order for Case # 2022001768

This email is being sent to request a letter of clarification for the Order signed date 01/05/2022 by Judge Vinson .

I am understand that the appeal in this case is pending but I am not clear on the order. The motion was asked to be dismissed, However, it is unclear if the eviction is still to move forward. Can you please respond with clarity so that I can make the necessary arrangements to vacate the property if that is still in effect. Mr. Sheldon Jenkins has been copied on this email. Concerning the request for clarification of the order.

Thank You  
Melissa Fleetwood
