ARNA

The acronym ARNA stands for the Aboriginal Republic Of North America operating in conjunction with The Indigenous Political Authority.

The Aboriginal Republic Of North America is an Indigenous Government that serves the first nation Indigenous Peoples of North America. The Aboriginal Nationals of the Aboriginal Republic of North America ARE the Indigenous Government in North America carrying out the national and International political objectives of our government. A.R.N.A is composed of an Aboriginal Government specifically on the continent of North America (8 Aboriginal Regions) that comprise our Indigenous Government. All of the 8 Regions comprise the original jus soli clans/tribes that are the oldest Indigenous peoples on the North American Continent. This fact is based on a prolonged study of ARNA anthropologists studying the ancient epigraphy, glyphs, oral traditions, genetics and and cultures of the Aboriginal peoples of Ancient North America.

FORMAL Recognition as an Aboriginal Nation

There is no birth date for the Aboriginal People. We have been here on this planet for eons of time. Our governments have existed for eons of time. The invasion colonization and expansion of non-aboriginal people brought about the slow decay of the governmental infrastructures of Aboriginal Nations. We consider these acts, which cause the loss of the political status of Indigenous Peoples a holocaust carried out by genocide and denationalization. The 20th Century brought about a change in the colonization phase as many Aboriginal Nations began to reclaim their Political Autonomy. As Aboriginal Peoples and specifically as Aborigines (Xi-Amaru) we have the oldest record of participating in Nation State Governments as Aboriginal Peoples in this geographic area.

The Plebiscite of the Aboriginal Republic Of North America ARNA was formally recognized by the United States Department of State on March 6th 2006. We received the formal witnessing signature of the Secretary of State Condoleezza Rice [Executive Branch] and the witnessing seal of the United States federal Government [form 06013144-1] based on Article 4 [Authentication] & Article 6 [Supremacy Clause] of the United States Constitution, both Articles being based on International Law in full accordance with CFR 22 131.1 & 131.2 and in accordance with USC 4 Section 42.

On January 12th 2006 the Commonwealth of Pennsylvania formally recognized our plebiscite with the witnessing signature of the Secretary of State Pedro A. Cortes [Executive Branch] and the witnessing seal of the Commonwealth of Pennsylvania [form 200601853].

On December 29th 2005 Philadelphia County (Shaykhamaxum – one ancient seat of our Nation) formally recognized our plebiscite with the witnessing signature of Prothonotary Stanley J. Chmielewski and the witnessing seal of Philadelphia County [form 96-07025], along with official witness made by Patricia Franklin witnessing the seal and signature of Chief Executive Minister Amaru Namaa Taga Xi-Ali also known as Dr. Abdul-Ali Muhammad.

By the above noticing actions, the plebiscite for returning the political identity of Indigenous Nationals of the Aboriginal Republic Of North America and the Aboriginal Republic of North America became formally recognized [by all levels of government in respect to the United States] from their historical headquarters Shaykhamaxum now called Philadelphia County and the headquarters for an International Aboriginal Association of Indigenous People was formally established by our actions of reforming our Indigenous governmental system.

AMENDMENT: In all prior Protocol Manuals, documents, and other instruments of our nation, the use of the term "International Indigenous Society & Internal Society of Indigenous Sovereigns has herein been amended to "Indigenous Political Authority".

FURTHER INTERNATIONAL RECOGNITION

The Aboriginal Republic Of North America is providing an opportunity for all Aboriginal Peoples of the North American continent to be at the forefront of the World Indigenous Movement. We have officially recorded our Constitution with DOCIP which is the Indigenous Peoples' Center for Documentation, Research and Information in Geneva Switzerland. As of 2010 and 2011 with our Aboriginal Summit the International Political Authority has provided an opportunity for all Aboriginal Indigenous Peoples who have come under the colonial corporate control of non-aboriginal people to declare their Interdependence in an Indigenous Government and International Association that is for all Indigenous Peoples. THE SUN IS TRULY RISING FROM THE WEST!

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 81-3404136. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your Organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status under Internal Revenue Code Section 501(c)(3), organizations must complete a Form 1023-series application for recognition. All other entities should file Form 1024 if they want to request recognition under Section 501(a).

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

Unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File), you will lose your tax-exempt status if you fail to file a required return or notice for three consecutive years. We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter.

For the most current information on your filing requirements and other important information, visit www.irs.gov/charities.

You must settle the case hereby made against you in one of the following ways:

- 1) You must appear in court at the appointed time with your South Carolina driver's license if indicated in the violation block on the front side of this summons.
- 2) You may post a cash bond with the appropriate trial court prior to the assigned date of trial. If you choose to post in your bond, then you must go to the office, MAIL MONEY ORDER, CARRIER'S CHECK OR CERTIFIED CHECK DIRECTLY TO THE TRIAL COURT OFFICE BEFORE WHOM YOU ARE SUMMONED TO APPEAR. The trial court name and address shown on the front side of this summons DO NOT MAIL CASH OR PERSONAL CHECK. Be sure to enclose with the bond the ordering of the same and the summons number.
- 3) If a court appearance is not required, you may pay your fine online with a credit card. Go to <http://www.southcarolinacourts.gov/OnlineServices/Pages/CourtPayments.aspx> to determine if your payments are available in the county where you were cited.
- 4) You may appear in court on the assigned date and time and have a trial conducted by the Trial Judge.

THE POSTING OF BOND BEFORE YOUR ASSIGNED TRIAL DATE IN NO WAY AFFECTS YOUR RIGHT TO HAVE A FAIR TRIAL BY THE JUDGE OR IF YOU MAKE A WRITTEN REQUEST BEFORE YOUR SCHEDULED TRIAL BY JURY.

However, if you are NOT required to appear in court on the assigned trial date and have previously posted bond and do not appear on the trial date, your bond may be forfeited unless the judge has agreed to have you also heard at another time.

If you fail to post bond or personally appear in court on the assigned trial date, you will be tried in your absence and, if convicted, your home state's Motor Vehicle Division will be notified to suspend your license until you have cleared this matter with the trial court. Additionally, a willful failure to appear or post bond is punishable as a separate offense by a fine of up to \$250.00 or imprisonment of up to 30 days.

RE: Freedom of Information Act ("FOIA") Request

Dear Mr. Xi-Amaru:

This Office received your FOIA request dated June 13, 2022, which seeks copies of indictments against you.

The records of the Office were searched, and there are no public records responsive to your request. Please be advised that we are only able to search the records of our Office. We did not check the records of other entities. Thus, a lack of indictments in our records does not conclusively prove that there are no indictments against you. Additionally, a lack of indictments at any particular moment does not preclude the issuance of indictments in the future.

Sincerely yours,

Office of South Carolina Attorney
General Alan Wilson

ARNA

The acronym ARNA stands for the Aboriginal Republic Of North America operating in conjunction with The Indigenous Political Authority.

The Aboriginal Republic Of North America is an Indigenous Government that serves the first nation Indigenous Peoples of North America. The Aboriginal Nationals of the Aboriginal Republic of North America ARE the Indigenous Government in North America carrying out the national and international political objectives of our government. A.R.N.A is composed of an Aboriginal Government specifically on the continent of North America (8 Aboriginal Regions) that comprise our Indigenous Government. All of the 8 Regions comprise the original *jus soli* clans/tribes that are the oldest Indigenous peoples on the North American Continent. This fact is based on a prolonged study of ARNA anthropologists studying the ancient epigraphy, glyphs, oral traditions, genetics and cultures of the Aboriginal peoples of Ancient North America.

FORMAL Recognition as an Aboriginal Nation

There is no birth date for the Aboriginal People. We have been here on this planet for eons of time. Our governments have existed for eons of time. The invasion colonization and expansion of non-aboriginal people brought about the slow decay of the governmental infrastructures of Aboriginal Nations. We consider these acts, which cause the loss of the political status of Indigenous Peoples a holocaust carried out by genocide and denationalization. The 20th Century brought about a change in the colonization phase as many Aboriginal Nations began to reclaim their Political Autonomy. As Aboriginal Peoples and specifically as Aborigines (Xi-Amaru) we have the oldest record of participating in Nation State Governments as Aboriginal Peoples in this geographic area.

The Plebiscite of the Aboriginal Republic Of North America ARNA was formally recognized by the United States Department of State on March 6th 2006. We received the formal witnessing signature of the Secretary of State Condoleezza Rice [Executive Branch] and the witnessing seal of the United States federal Government [form 06013144-1] based on Article 4 [Authentication] & Article 6 [Supremacy Clause] of the United States Constitution, both Articles being based on International Law in full accordance with CFR 22 131.1 & 131.2 and in accordance with USC 4 Section 42.

On January 12th 2006 the Commonwealth of Pennsylvania formally recognized our plebiscite with the witnessing signature of the Secretary of State Pedro A. Cortes [Executive Branch] and the witnessing seal of the Commonwealth of Pennsylvania [form 200601853].

Amendment

On December 29th 2005 Philadelphia County (Shaykhamaxum – one ancient seat of our Nation) formally recognized our plebiscite with the witnessing signature of Prothonotary Stanley J. Chmielewski and the witnessing seal of Philadelphia County [form 96-07025], along with official witness made by Patricia Franklin witnessing the seal and signature of Chief Executive Minister Amaru Namaa Taga Xi-Ali also known as Dr. Abdul-Ali Muhammad.

By the above noticing actions, the plebiscite for returning the political identity of Indigenous Nationals of the Aboriginal Republic Of North America and the Aboriginal Republic of North America became formally recognized [by all levels of government in respect to the United States] from their historical headquarters Shaykhamaxum now called Philadelphia County and the headquarters for an International Aboriginal Association of Indigenous People was formally established by our actions of reforming our Indigenous governmental system.

AMENDMENT: In all prior Protocol Manuals, documents, and other instruments of our nation, the use of the term "International Indigenous Society & Internal Society of Indigenous Sovereigns has herein been amended to "Indigenous Political Authority".

FURTHER INTERNATIONAL RECOGNITION

The Aboriginal Republic Of North America is providing an opportunity for all Aboriginal Peoples of the North American continent to be at the forefront of the World Indigenous Movement. We have officially recorded our Constitution with DOCIP which is the Indigenous Peoples' Center for Documentation, Research and Information in Geneva Switzerland. As of 2010 and 2011 with our Aboriginal Summit the International Political Authority has provided an opportunity for all Aboriginal Indigenous Peoples who have come under the colonial corporate control of non-aboriginal people to declare their Interdependence in an 'Indigenous Government and International Association that is for all Indigenous Peoples. THE SUN IS TRULY RISING FROM THE WEST!

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 81-3404136. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your Organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status under Internal Revenue Code Section 501(c)(3), organizations must complete a Form 1023-series application for recognition. All other entities should file Form 1024 if they want to request recognition under Section 501(a).

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

Unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File), you will lose your tax-exempt status if you fail to file a required return or notice for three consecutive years. We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter.

For the most current information on your filing requirements and other important information, visit www.irs.gov/charities.
