SC Court of Appeals

Appellate Case No. 2022-001265

Jason C. Bealand & Jonathan A. Bealand,  
and Revive Air, LLC.,

Respondent,

v.

Nicholas P. DeLuca,

Appellant.

PETITION FOR EXTENSION RETAIN  
NEW COUNSEL

Nicholas P. DeLuca has reached out to the South Carolina Bar Lawyer Referral Service twice for a referral for new counsel. They gave him three different lawyers, two of which has declined and one has not responded. I have also called many law offices with either no response or they do not practice this particular law. I have one lawyer which is very interested in representing me on this legal issue. He has stated he needs more time to further investigate before he feels comfortable moving forward. I am also still calling and trying to find legal representation in the mean time. I humbly ask the Court of Appeals for a 15 – 30 day extension to retain new counsel. I have responses (letter and an email) I have received from the first two SC Bar Lawyer Referrals as record if the court would like Nicholas to submit as proof of decline of services. The third one has not responded. Thank you and I truly appreciate your time in this matter.
