Ms. Clark,

I was substituted as counsel on January 11, 2023. I thought my deadlines would be run from the date I became Counsel of Record. Do I need to file an extension request? I realise today in a state holiday. I will call you in the morning to see what I need to do. It has been awhile since I took a case over at this stage. Have a good evening. I hope you had a good holiday.

Good morning,

Ref: Roosevelt Doctor v. State

The Court records show that the petition for writ of certiorari and appendix were due in the above case on January 11, 2023. Please advise the Court if that date is incorrect.
