To Whom It May Concern:

The above addressees are requesting this office to investigate allegations made by this writer in regards to attorney Yani G Mouratey of 1812 Lincoln St, Columbia, SC 29202 and his client, C&M Properties LLC. This attorney and his client knowingly perjured testimony to the court of common pleas, stating they had served the above addressees a court summons. The summons was mailed twice to the incorrect address and served by law enforcement at the wrong service address and signed for by someone other than the addressees. Summons was served at 114 Dove Ridge Rd, Columbia, SC 29223 not the above listed address which is the residence in question. This counsel and his client were well aware of the correct service address as this matter had been dismissed in court previously in 2021. Therefore, it is in my opinion that this was done deliberately to ensure that I would not be present to defend myself in court seeing as a writ was posted on my door at the correct address after appearing in court in September 2022 in my absence. I would like to take this time to ask this office to please look into this matter in order for the addressees to gain justice for having been denied opportunity to defend ourselves
