SC Court of Appeals Clerk Of Court,

FYI, in review of the electronically available information available in the court index, a potential error was found by Appellant. Both, Appellant and Respondent in appellate Case No: 2022-001437 and appellate Case No: 2022-001598 are the same, "Johnathan M. Daniels vs City of Cayce." However, the cases stem from different instances, in different lower court cases.

The court index shows both cases associated with lower court case "Lexington (2021CP3203639)."

Only Case No: 2022-001437, appealing a guilty plea, should be associated with "Lexington (2021CP3203639)."

Case No: 2022-001598, which is an interlocutory appeal in a different case, should be associated with Cayce Municipal Court Case No's: 20210370007763 and 20210370007764.

Respondent's attorney is CC'd on this email.

Regards,

Johnathan Daniels
