## Table of Authorities

### Statement of Issues on Appeal

1. Did the lower courts commit an error of law by not accepting the later dated last will and testament.
2. Did the lower courts commit an error of law since the deed search that was ordered by the Probate Judge David Anderson was never rendered.
3. Why the Notary Verification letters were never entered into evidence.

### Statement of the Case

#### Arguments

1. Deed search for Luther Leon Meredith was never presented to court as ordered by Probate Court Judge David Anderson
2. Erin Hall with Spartanburg County Probate Court refused to accept the last will and Testament dated May 7, 2003, presented by myself, Tonji Lavonne Meredith
3. The lower courts made decisions without seeing letters stating validity of Notary on last will and testament dated February 25<sup>th</sup> 2019
