Lance, I know you're in trial in Laurens, but I have a few questions about the discovery in the Tate case. Would you please contact me when you're available? This has to do with the notes the alleged victim wrote, so Windy or Yates, if it's something one of you could help me with, that would be great, too.

Also, I'm not sure if I ever got a definite answer on whether you'd accept a plea to one count with a negotiated 6-year cap. It would have to be an Alford plea, which I don't think Judge Hocker would have a problem taking. I can't swear that Mr. Tate would take that, but the last time we talked, he did ask me if that was on the table so I just want to make sure I ask about it.

Thanks,

Janna:

I would be willing to encourage the victims to accept a ten year plea in this case if your client is agreeable. I have not run that by the victim yet. If you are interested I will talk to them. Let me know.

We can do an Alford since he is getting a benefit from the plea.
