If applicable, describe the property, including tax map information and address, referenced in the order: Judgement in favor of the Defendants as the Jury determined that the Plaintiff did not prove by a greater weight or preponderance of the evidence that the Defendant's deviations from the standard of care was the proximate cause of the Plaintiff's injuries.		

FORM 4C INSTRUCTIONS—JUDGMENT IN A CIVIL CASE
(Instructions for Information Only-Not to be filed with Form 4C)

1. Form 4C-Judgment in a Civil Case has been modified to add order information and enrollment instructions for the clerk of court. The purpose of Form 4 has not changed with the exception that judgment information is provided when applicable.
2. Please note that the Form 4C must be attached to all orders that include information to enroll in the judgment index. The clerk will not be responsible for reading the order to determine enrollment information.

The attorney or prevailing party will prepare and attach the Form 4C when submitting the proposed order that includes judgment enrollment information for the judgment index. The judge will review and sign Form 4C when he or she signs an order that includes judgment enrollment information for the judgment index.

3. Form 4C is not required to be submitted to the Court with orders that do not include information to enroll in the judgment index. If the clerk receives such an order without Form 4C attached, the clerk should enter and process the order pursuant to Rule 58 and Rule 77(d), SC Rules of Civil Procedure (i.e., the clerk should serve notice of entry of the judgment by mail or provide the attorneys with copies of the signed order by other means).
4. The “Information for the Judgment Index” section should be completed when the judgment affects title to real or personal property or if any amount should be enrolled. In the “Judgment in Favor of” column, enter the name of the party to whom the judgment is awarded. In the “Judgment Against” column, enter the name of the person to whom the judgment is against. The judgment amount to be enrolled should be noted in the “Judgment Amount” column. As necessary, describe any property referenced in the order if it is to be enrolled in the judgment index. If there is no judgment information to enroll, indicate “N/A” in one of the boxes in this section of the form.
5. To enter information to accommodate multiple parties, additional Form 4Cs may be used as necessary. Additional space may be inserted on the form as necessary.
6. The section “For the Clerk of Court Office Use Only” should be completed by the clerk as it has been with the previous version of Form 4.
7. If the matter is on appeal to the Circuit Court, then the parties on the form should be changed from Plaintiff and Defendant to Appellant and Respondent.
8. If an arbitrator prepares an order after arbitration, the arbitrator should strike through “Circuit Court Judge” and indicate “Arbitrator” in the signature block.

9. If a Special Circuit Court Judge, Master in Equity, or Special Referee prepares an order after hearing a Circuit Court matter, then he or she should strike through the title "Circuit Court Judge" below the signature line and indicate the appropriate title.
10. When an Order of Foreclosure is filed, neither the parties or debt owed should be listed in the Information for the Judgment Index Section, unless the foreclosure order specifically requires entry of the full judgment amount before the foreclosure sale, pursuant to Section 29-3-650 of the SC Code.
11. If the deficiency judgment is waived in a Foreclosure action, indicate N/A in the "Judgment Amount To Be Enrolled" box.
12. Foreclosure actions should be ended by the Clerk of Court upon receipt of the Order of Foreclosure. Subsequent information, including deficiency judgments, can be added to the action after the case is ended. The Master in Equity should end the action in the MIE system upon the receipt of the Order of Foreclosure.
13. When judgment enrollment information is included in the Information for the Judgment Index Section (for example, when there is a deficiency judgment), only the parties who the judgment is for and against should be included in the Section. Subordinate parties and lienholders should not be included in the box if there is not a judgment amount specifically for or against them.
14. Form 4C is not required to be attached to Transcripts of Judgment and Confession of Judgment.
