SC Court of Appeals

Re: Case No. 2018-CP-46-01592

Your Honors,

This is Karen Baber. I am the appellant in the above-referenced case. I just now found out that my attorney Mr. Creighton Coleman's motion to be relieved from further representing me was granted.

I am afraid that I am now without counsel. My other counsel of record is Glenn E. Bowens. I have been unable to communicate with Mr. Bowens for many months now. None of his phone numbers are working and mail that I have sent to him has been returned as having an invalid address.

I have always had difficulty communicating with Mr. Bowens, but nothing compared to this. It may be because he knew he was not representing me properly on this appeal and did not make arguments that he should have and he filed no reply brief. Accordingly, I BEG this Court to please review my responses to the motions for summary judgment. My verified complaint and my verified responses to the motions for summary judgment and the evidence I provided all show that there were numerous issues of fact and that the judge should not have granted the summary judgments. Mr. Bowen alluded to those facts, but he did not actually cite them in the appellate brief, so I again respectfully request this court to please look at what I filed.

I also ask this Court to please determine Mr. Bowen's whereabouts and find out why he has completely disappeared.

Sincerely,

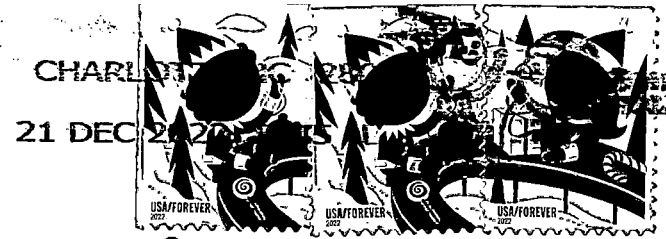

Karen Baber
