Re: Joshua Matthew Johnson, 00345774, v. State of South Carolina
C.A. No.: 2012-CP-39-0140

2013-000478

Dear Teresa,

I represent Joshua Johnson in the above case which was heard by Judge Miller in Pickens County on December 17, 2012. By letter of March 5th I requested a copy of the transcript from the above proceedings. It is my recollection that you let me know your anticipated cost for the transcript and I sent you a check for the transcript. My records show that my check has not been cashed and I wanted to make sure that you have received it and that my request is in line for transcribing. I understand that you have much work to do and I'm not intending to rush you. I am just checking up on the status. If you could, please let me know if you were not the reporter on the case, or if you did not receive my check. If you were and you did, if you could please give me a rough guess at when you might have the transcript done it would be much appreciated.

Sincerely,

J. Falkner Wilkes
