Re: Michelle Corley v. Phil Martin
Appellate Case No. 2022-001010

Dear Counsel:

The Court has received your motion for an extension of time in which to serve and file the initial brief of respondent and designation of matter. On January 24, 2023, the Court sent a deficiency letter to counsel for the appellant for failure to file a designation of matter with their brief, therefore your initial brief and designation of matter are not due at this time and no action will be taken on your motion. The initial brief of respondent and designation of matter will be due to be served and filed within thirty days of the service of the appellant's designation of matter.

Very truly yours,

A handwritten signature in blue ink that reads "V. Claire Allen".
