Re: Thomas Long v. Timothy Kettner  
Appellate Case No. 2022-001004

Dear Counsel:

Upon reviewing your respondent's initial brief and designation of matter, the following deficiency has been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within seven (7) days of the date of this letter or your respondent's brief will not be considered:

- A proper proof of service has not been provided. Service has been indicated through email but the emails have not been provided to the Court nor does the email filing the documents with this office show service upon counsel for the appellants. The respondent's initial brief and designation of matter will not be considered properly served and filed unless they are served on counsel for appellant within 7 days and a corrected proof of service has been filed.

Very truly yours,

A handwritten signature in blue ink that reads "V. Claire Allen".
