Good morning,

Re: Jaqwan L. Martin v. State (2022-001258)

There has been two (2) extensions filed with the Court in this case for the transcript. Has the transcript in this case been ordered/requested? The due date for the transcript to be ordered/requested and filed with the Court was January 20, 2023. Please advise the Court if we have the incorrect date and/or if it has been ordered/requested.

Thank you,

Ethel D. Clark
