Miscarriage of Justice

"Given voice in Justice Harlan's concurrence in Winship "That it is far worse to convict an innocent man than to let a guilty man go free," 90 Supreme Court @ 1077 also applies to James Kennedy, Mr. Kennedy states that he is not guilty and was unaware of the dire consequences of his counselor's actions.

James Kennedy is not educated enough to understand any legal proceeding and his health was a issue while awaiting trial for over two years in jail.

James Kennedy is a victim of ineffective assistance of counsel and needs a new trial and a new lawyer.

James Kennedy states that he is not guilty, and would never do what he is accused of.
