Dear Madam Clerk:

In reference to the Court's Order of January 31, 2023, the Respondent requests the Order be clarified and/or amended to address the following:

1. In his Designation of Matter to be included in the Record on Appeal, the Respondent identified his Petition with the Probate Court (Amended Record on Appeal, pp. 22-28), along with a report of Marvin H. Dawson, Jr., attached to the Petition. The Petition is included in the Record on Appeal, but it appears the report of Mr. Dawson was omitted. We ask that the Order be amended to include this document in the Supplemental Record on Appeal to filed by the Appellant.
2. How many days does the Respondent have to file his Final Brief after the Appellant files her Supplemental Record on Appeal?

Respectfully,

**Richard Hunt McDuff, Esq.**
